

ABOUT LAMBETH GIVING FUND

ALL FOR LOCAL CHARITIES

Lambeth Giving Fund is a new initiative started to support the work of dedicated and inspiring local charities and community projects, which really make a difference to the lives of the most vulnerable people living in our borough.

The idea is simple. We all want to 'give something back' to our community, and by giving together we know we can achieve a far greater impact than we ever could alone.

Your donation to Lambeth Giving Fund will benefit inspiring charities that are achieving extraordinary things, chosen for their dedication and the enormous impact they have on the lives of the people they help.

THREE AREAS OF SUPPORT

- **Creating opportunities for our young people at risk**
- **Giving people with mental ill health the chance to thrive**
- **Improving quality of life for our older neighbours**

TOGETHER WE CAN MAKE A DIFFERENCE IN LAMBETH

WHY GIVE LOCALLY?

- Local charities work 'on the ground', reaching the most marginalised people in a way that larger organisations can struggle to.
- Local charities are great value for money! They depend on small but vital amounts of funding to reach people in need and make every penny you give count.
- Smaller, local organisations without paid fundraisers often struggle to be noticed, with larger charities receiving the lion's share of charitable donations.
- Local charities in Lambeth make a real and significant difference to the local community, and make Lambeth a better place to live, work and play.

SIMPLY SUPPORTING LAMBETH CHARITIES THAT MAKE A DIFFERENCE TO PEOPLE'S LIVES

OPPORTUNITIES FOR OUR YOUNG PEOPLE AT RISK

EBONY HORSE CLUB

Ebony Horse Club is a community riding centre for children and young people located in Brixton. Most of the young people come from disadvantaged backgrounds with low aspirations and few opportunities. Through riding they learn to control their own behaviour, work with the other riders, and take responsibility for their actions. Staff double up as youth workers and help young people through any personal issues that they might face. Ebony Horse Club has a waiting list of young people wanting to learn to ride.

YOURSTORY

YourStory helps young people who have a poor school record or have been involved in crime to build a vision of a more positive future. They teach academic and vocational skills to small groups, and they partner young people with mentors for 1:1 support. Success means something different for each of their young people. It could be staying at school and improving their attitude, helping their family to take an interest in their education, or finding a new skill that could lead to a successful career.

A CHANCE TO THRIVE FOR PEOPLE WITH MENTAL ILL HEALTH

ACRE LANE HOSTEL

The Acre Lane hostel is home to 35 adults with medium-to-high mental health problems, including personality disorders, manic depression and a history of self-harm. It is a stable and supportive environment from which residents can eventually move into independent living. Through a mixture of confidence building and supported work placements, residents are helped to overcome poverty, depression and cycles of destructive behaviour.

MOSAIC CLUBHOUSE

Mosaic Clubhouse is a centre for people with severe and enduring mental ill-health. Mosaic believes that everyone has the potential to be productive. Members gain work skills and confidence in a positive environment, spending the day as a valued team member rather than as a patient in a hospital or an isolated individual at home.

QUALITY OF LIFE FOR OUR OLDER NEIGHBOURS

BASAIRA ELDERLY CENTRE

Basaira is renowned for providing healthy lunches (and a very warm welcome) to older people in the local community. Many of the older people live alone and suffer from disabilities and illnesses that leave them isolated and vulnerable. They attend Basaira events to give purpose to their week, socialise with others and keep fit with Basaira's popular exercise class.

STOCKWELL GOOD NEIGHBOURS

Stockwell Good Neighbours is an older person's club who meet once or twice a week to share a meal, socialise and keep fit and healthy. They meet in the bright and busy café of the Oval House Theatre, filling it with laughter, domino games, bingo calls, zumba classes and the sounds of their famous choir.
